About Black Knight Patrol

Black Knight Patrol is a full service private security company located in San Pedro, CA.

Black Knight Patrol was founded by San Pedro native and United States Marine Corps veteran Manuel Jimenez. After attending the Los Angeles Police Academy, Manuel decided to put the skills he learned to work and provide professional security services to his hometown.

Black Knight Patrol hires only the most qualified candidates, including military veterans former and current law enforcement officers. At Black Knight Patrol, we believe in quality over quantity.

We meet with clients regularly to keep them informed, and listen to any concerns or problems they may be experiencing. Each client is assigned an account manager, whom they can contact anytime they have a question about what's happening on their property.

Security Officer Service

Black Knight Patrol offers security officers that will be assigned exclusively to your location. All of our officers are licensed through the state of California and receive ongoing training to ensure they can adequately protect your property.

Black Knight Patrol guarantees our officers will show up on time, and look professional. Just like our Patrol Division, the security officers have access to a mobile app on their smart phones, which allows them to write reports any time an incident occurs. Our officers are ready to take any action necessary to protect our client's lives and property.

In addition to having a security officer at your locations, officers from our Patrol Division will respond as backup if an incident occurs. Black Knight Patrol is ready to handle any event, including but not limited to:

- Concerts, Banquets/Galas, Festivals/Carnivals, Fundraisers, School Events, Movies & Private Parties

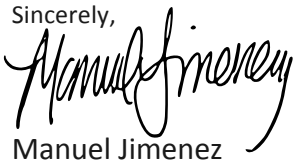
Thank you for taking the time to read over this proposal. Should you have any questions feel free to contact me at (213) 985-6499 or manuel.jimenez@blackknightpatrol.com. I would also like to add that it is the goal of Black Knight Patrol to move from its current location In the Topaz building in San Pedro, to the location on the corner of 6th street and center next to the Subway. This relocation would allow for a 24/7-office operation by the start of summer 2017.

It is our goal at Black Knight Patrol to provide excellent service to each and every stakeholder in the PBID boundaries, and provide a safe, family-friendly environment so that all can enjoy the many restaurants and shops. Serving our local community is of high importance to Black Knight Patrol. Seeing to the safety and security of all who live, walk, dine and shop amongst the Historic Waterfront District is an invaluable service to our neighborhood that we would be honored to be a part of. I hope this letter finds you well and I look forward to a fun and successful future partnership.

Sincerely,



Manuel Jimenez
